### To the faithful in Christ:

We sometimes wake up in what we call a fog. Things are not quite visible or we are not functioning with a clear purpose. We need to come out of the fog! II Cor. 6:14-18, the Bible says we need to come out from among them, those that are in the fog according to II Cor. 4:3-4, blinded minds.

When coming out of something we need to fill the void in the ways of God. Ex. 34:28-35, the Bible tell us when Moses was with God in His fog (cloud) he came out with a glow of godliness. We need to get alone with God and show Him to those in the fog of this present evil world.

In the month of November we had a young lady visit for a short term mission trip from Missouri. She was a blessing in many ways to all we minister to as well as the missionaries here at the mission. Please pray for Paula to know God's direction for her life. She would be a blessing to any work of God.

Lorna and I continued in our Saturday all day teaching from the book of Proverbs concerning tithes and offerings to churches in many provinces. We minister to churches in all 9 provinces. As always the people are so grateful that we spend time with them. Here the people are anxious to see and have the fellowship with the missionary and especially the teaching of God's word. What a wonderful and gracious Lord and Saviour we have to allow us to be a blessing to His saints in Southern Africa!!! Praise the Lord, hallelujah, Amen!!

The end of November marked the last tri-mester of Bible Institute. We had our annual graduation the first Saturday of December. The week prior to graduation we had a

Pastor's Refreshers Course where Pastor Cadenhead along with his dad ministered to over 70 national Pastors. On the 6th of December Pastor Cadenhead preached for the graduation of 5 men and 3 ladies

that finished their courses only to begin their ministries the Lord has given them.

Pastor Cadenhead is an inspiration to all as he is just a young man in physical years but such a mature man in word and deed. The Pastors, staff and missionaries here were amazed at his knowledge and wisdom in the word of God. Personally I pray that God gets a hold of thousands of men in their

twenties with such a great desire to know Him and express the true word of God to all nations!! What a great God we have, to continue to put a desire in the heart of men to carry on to future generations the whole council of God!!! Thank you Lord, thank you Lord in Jesus name!!!

Of course Sunday preaching is still a tremendous blessing as each week souls are saved, want to be baptized, join the church and repent to draw closer to the Lord. The joy of preaching and teaching knowing that we are doing our best to conform all of us to the image of God's dear Son is overwhelming at times. I often have tears of joy and or wonder what God sees in my wife and I to allow us this ministry.

We were unable to raise the needed funds for tickets and get meetings lined up from January through June. It may have been our timing instead of God's so we are looking at September 09 for our second furlough in 14 years. For those who sent funds for tickets please be assured the love offering will be used in God's timing for the tickets.

We pray for you all and pray you all have a blessed holiday season with anticipation of being forward from a year ago in your walk with the greatest gift ever given, our Lord Jesus Christ. We love you so much, thank you all.....

Your Missionaries,
