To the Saints that desire Wisdom

To know wisdom and instruction; to perceive the words of understanding; (Proverbs 1:2) What an amazing God we serve to be gracious enough to give us the wisdom of the Lord Jesus Christ in word, WOWY and AMEN!!!

I am on a mission to help the sweet people we minister to in all the countries we are blessed to minister in. I am so blessed to be refreshed, rebuked, instructed and or the whole council of God when studying the book of Proverbs, I must teach and preach it to all. May I add to you as well, read and study daily this precious book and see God guide you to the image of His dear Son, the Lord Jesus Christ, AMEN!!!!

The ministry still thrills my soul and excites my spirit in the Spirit of God because of my Saviour. As the new year took off so did the renewed energy the knowledge of God can bring to all who are His children.

Lorna and I continue to go and edify the masses just as we did in Mpika. You can see Lorna standing at the train station there. The Pastor of the large church, and some that came to the altar to receive and repent when I preached there. We go out sometimes 9 to 14 hours, stay for 4 days and while the Lord fills our cup we tip the cup so that others may get the blessing in and though the word of God. Praise the Lord!!

When we came in 1995, Lorna started teaching the students sign language. Up to date, we have many deaf works through out the ministry. The Lord sent Mr. & Mrs. Dick Jarvis to help the work here especially for the deaf. He has

25 years of experience teaching the deaf and his wife is a seamstress. Both daily minister to the deaf churches we have all over the country. Here you can see us donating toys to the Deaf

Association of Zambia and Yohannes Deaf Church in Lusaka. You should have been there to see and feel the joy and thanksgiving

the children expressed. The toys were donated to us by McDonalds, we are so grateful to them!!!!

Of course we continue to preach and teach our bush churches. The bush churches make up most of the work the

Lord gave to us. Just to get to these churches is a trip you won't forget, the rainy season make the trip a doozy, for sure!!!! Here are a couple of pictures of a bush church and me handing out baptism certificates.

We are always in prayer for you all and very much so in thanking the Lord for you!!! The times are trying lately but we have a God of wisdom, knowing just what He is doing and we should be assured it is for our good as he conforms us. Salvation was the easy part for us, walking in His wisdom in assurance will bring us the peace of God that passes all understanding. Just to know that He is, is good enough for me!!!
