Dearly Beloved, things of God!!

We read from Jeremiah 44:1-26 where the people desired things and worshiped and burned incense to another god for worldly gain. Can you believe what God said?!!!! Because of "things" being God and not God being God He said, "my name shall no more be named in the mouth of any man" WOW!!!! OH MY SOUL!!! Could God be giving us an example from the OT about today's preaching and attitude of some of so called God's people? The warning is, if you get "things" you are not necessarily closer and more blessed of God!!!

June was a blessing as God has been so very good to us with Bible Institute, Community Service, Evangelism, Winning souls, Baptisms and new churches thrilling us with the presence of God!!

What a gooder God we serve, PRAISE HIS HOLY NAME, THE LORD JESUS CHRIST!!!!

July was a blessing with 3 men and 1 women coming to teach and build at the mission station. We had a Pastor's Refreshers Course, Sunday School Training and building in preparation for the 20th year conference at the mission station. WOWY DOWY!!! That is the goodness of our great God, AMEN!!!!!! All reviews from the nationals as well as the missionaries here were fantastic in the

presentation and teaching of those committed saints for the preaching and teaching of Christ to a needy people!!!!

We just finished the second tri-mester of Bible Institute and are really busy getting the tabernacle and building ready for the 2008 annual conference. This year there will be many government officials, Chiefs, honored guest in attendance because it is 20 years of service for the glory of God the Father in Jesus Christ, AMEN!!! Sorry ... you are gonna miss a rip snorter as the Spirit of God lifts us up to another level with great preaching,

singing, praying, teaching, EATING, and fellowship around the throne of God here at the mission.

Thanks for giving to the Lord, for you make it possible for us to be in your place to see the glory of God in Zambia and the faces of these sweet, humble saints of the Father!!

Just a reminder, we are planning on coming to the states for our second furlough in 14 years. The cost of the flight will be out of our reach. If the Lord moves your heart to help in anyway please send to our home church in CT and let them know it is for the ticket. You all are so very good to us in all the years through all the tears, fears and joy. We could not have been more blessed by God then to have you all seeking God on our behalf!!!!!! Thank you!!!!!!

Your Missionaries,

The Sarras
